Dear Mr. Fisher:

***Re: Hillcrest Park Soccer Field-Parking***

It has come to Town Council and staff's attention that parents / guardians of the users accessing the Hillcrest Park soccer field are not complying with the parking restrictions along Cowan Avenue and Park Street. The residents are supportive of the children playing soccer, but parking in no parking zones creates issues for the residents in the area.

I respectfully request that you notify your parents / guardians to obey the parking restrictions along these streets, and be good neighbors to the local residents.

Thank you for your understanding in the above and for your ongoing support in promoting active and healthy children through sport.

Yours truly,

***Patrick D'Almada***
